Cancellation/Refund Policy

This policy outlines the various cancellation and refund policies at Beacon Bible Camp. In all situations, Beacon strives to act a way that is fair, consistent and generous, and this is especially important to us when money is involved. It is important for camper families to understand that it is difficult to find campers to fill cancelled spots at a camp session, especially within a few weeks of the start of a session. Registering for a session at Beacon Bible Camp indicates that it is the intent of the camper to attend the camp session they are registering for, and expenses are made to prepare for those campers, even before they arrive at camp. There are administrative costs involved when cancellations are made.

Summer Camp Sessions

For cancellations which occur before June 1st, a cancellation fee equal to 25% of the total camp fee applies. All other fees will be refunded.

After June 1st, and until 14 days before the start of a camp session, a cancellation fee equal to 50% of the total camp fee will apply. All other fees will be refunded.

For cancellations less than 14 days prior to the start of a camp session, no refund will be issued. Other fees, including Tuck Shop Deposits, may be refunded.

Fall/Winter Camp Sessions

For cancellations which occur more than 30 days before a camp session, a cancellation fee equal to 25% of the total camp fee applies. All other fees will be refunded.

For cancellations less than 30 days, but more than 7 days before a camp session, a cancellation fee equal to 50% of the total camp fee will apply. All other fees will be refunded.

For cancellations less than 7 days prior to the start of a camp session, no refund will be issued. Other fees, including Tuck Shop Deposits, may be refunded.

Exceptions to this Policy

If a camper is unable to attend camp due to a previously undiagnosed medical reason (for example, an injury or illness that doesn't allow participation in camp programming), a full refund will be given, regardless of the date. In this situation, a note from a medical professional will be required in order to receive a full refund.

Beacon Bible Camp | Updated January 11, 2019

Once a camp session has begun, no refund will be issued if a camper is dismissed from camp for reasons other than those of a medical nature.

Transportation Options

For many camp sessions, Beacon arranges transportation for campers, depending on the number of campers who require transportation and the time of year. These bus rentals require pre-planning as to the size and nature of the bus.

Within 7 days of a camp session, it may not always be possible to arrange for bus transportation for your camper. Please contact the camp office as soon as possible for assistance.

If a camper no longer requires bus transportation, and the camp session starts within 7 days, no refund will be given for bus transportation fees. This also applies when changes are made to transportation options for campers who are currently attending a camp session.

Refund Options

If a refund is required, payment will be made to the camper's account in a timely fashion. If payment was made via a credit card payment, the refund will be made to the credit card. If payment was made using cash or cheque, a cheque for the refund amount will be issued.

If there are any discrepancies between this policy and the Beacon website, this policy is to be considered correct. Questions can be directed to the camp office for clarification.
